[]

25X1 2. [] Delivered to Mr. Wascow, in
STATSPEC Congressman Kastenmeier's office, a copy of the translation of Ernesto
STAT Guevara's book on guerrilla warfare. This book, originally published in

Army. Transmittal of the translation was cleared with the Army through
[] and Legislative Liaison channels.

25X1 3. [] Talked with Lee White, Administrative
Assistant to Senator Cooper, on the possibility of having Senator Cooper
visit the Agency following his return to Washington on Wednesday. White

him and suggest that he come to the Agency sometime Friday afternoon.
White will call us on Thursday.

25X1 4. [] Made arrangements for Senator
Bourke B. Hickenlooper to visit the Agency on Thursday, 29 December
at 3:00 P. M. We are to provide transportation to and from the Agency
for the Senator. The Director's office, General Cabell, Mr. Amory,
and Colonel King have been alerted to the Senator's visit.

25X1 5. [] Talked with David Martin, in the
office of Senator Thomas Dodd, in an attempt to re-schedule a luncheon
meeting with the Senator. Mr. Martin indicated that since it is possible

schedule this on either 3 or 9 January.
